GSR PREAMBLE

We are the General Service Representatives. We are the link in the chain of communication for our groups with the General Service Conference and the world of A.A.
We realize the ultimate authority is a loving God as he may express Himself in our Group Conscience. As trusted servants, our job is to bring information to our groups in order that they can reach an informed group conscience. In passing along this group conscience, we are helping to maintain the unity and strength so vital to our fellowship.
Let us, therefore, have the patience and tolerance to listen while others share, the courage to speak up when we have something to share, and the wisdom to do what is right for our group and A.A. as a whole.

TWELVE TRADITIONS CHECKLIST

TRADITION FIVE: Each group has but one primary purpose—to carry its message to the alcoholic who still suffers.

1. Do I ever cop out by saying, “I’m not a group, so this or that Tradition doesn’t apply to me”?
2. Am I willing to explain firmly to a newcomer the *limitations* of AA help, even if he gets mad at me for not giving him a loan?
3. Have I today imposed on any AA member for a special favor or consideration simply because I am a fellow alcoholic?
4. Am I willing to twelfth-step the next newcomer without regard to who or what is in it for me?
5. Do I help my group in every way I can to fulfill our primary purpose?
6. Do I remember that AA old-timers, too, can be alcoholics who still suffer? Do I try both to help them and to learn from them?

TWELVE CONCEPTS CHECKLIST

CONCEPT V: Throughout our structure, a traditional "Right of Appeal" ought to prevail, so that minority opinion will be heard and personal grievances receive careful consideration.

- Do we encourage the minority opinion, the "Right of Appeal," to be heard at our home group, district committee meetings, area assemblies and the Conference?
- What does our group accept as "substantial unanimity"?
- Has our group experienced the "tyranny of the majority" or the "tyranny of the minority"?
- Does our group understand the importance of all points of view being heard before a vote is taken?
